GRIP WITH SILICONE HANDLES

FOR NINTENDO® 3DS

3DS-GRIP

If you want the familiar feel of a console controller on your Nintendo 3DS™, you'll need the Grip with silicone handles from CTA Digital. With extended use handheld systems can tire and cramp your hands, shortening the gaming experience. With the Grip for Nintendo 3DS™ this is not an issue. Whether you're racing cars or playing your favorite first person shooter, the added grip and comfort will help you maneuver your way through games with precision. The Silicone handles keep the 3DS secure in your hands during even the most heated gaming. When you need to rest your hands from all the intense gaming, you can prop up the grip by using the integrated stand. The handgrip stand has 2 angles for optimum gaming or viewing positions. So with the Grip from CTA Digital you can enjoy all the freedom of a handheld console with the comfort of a controller.
